TIPS FOR A GOOD LINEUP

- Start with your pitcher and catcher, then build around them.
- Give each kid a spot they know, and one to learn.
- Try not to sit anyone two innings in a row.
- Put a newer infielder next to a steady one.
- Tell players their positions before the game.

BEFORE YOU HAND IT IN

- ☐ Every position filled, every inning
- ☐ Bench time spread evenly (check your league's rules)
- ☐ Today's pitchers rested, per your league's rules
